Mr. George H. Hampton,
1310 Assembly St.,
Columbia, S. C.

Dear Sir:

I have just returned from a League Meeting in Chicago, and I am proceeding to work out my schedule for my Training period.

I would like to play a night game in Columbia on Monday, April 22nd. Will you kindly see if they will rent me the Park for that day, and get the terms of rental including the price of lights.

Will appreciate very much hearing from you as soon as possible.

I am the Party who was in to see you just before Christmas about playing Negro National League Baseball in your City.

Yours very truly,

AM:CCJ
